

Scientifically Formulated for
**Deep Hydration
& Cellular Renewal**

WITH INNOVATIVE ACE PICO TECHNOLOGY

ACE CELLS LAB FACE SERUM REJUVENATION

A rejuvenating skin serum formulated with a powerful blend of advanced actives and natural extracts. Combines cutting-edge science with time-tested botanical wisdom for deep nourishment and long-lasting anti-aging benefits. The formula targets multiple signs of aging, including fine lines, uneven tone, and dullness, while delivering intense hydration and cellular revitalization.

ACE CELLS LAB FACE SERUM REJUVENATION

BENEFITS

- Helps reduce the appearance of fine lines and visible signs of aging.
- Promotes brighter, more even-looking skin tone.
- Delivers deep, long-lasting hydration for plumper skin.
- Supports skin elasticity and firmness.
- Enhances natural radiance and glow.
- Nourishes and revitalizes tired, dull-looking skin.
- Protects against environmental stressors through antioxidant support.
- Encourages smoother, softer skin texture with continued use.

KEY FEATURES

- **Advanced Age-Defying Complex**
Formulated with NMN and Glutathione.
- **Hyaluronic Acid Infusion**
High-performance moisture-binding ingredient.
- **Multi-Vitamin Enrichment**
Contains Vitamins B3 (Niacinamide), B5 (Panthenol), Vitamin C, and Vitamin E.
- **Botanical Rejuvenation Blend**
Includes Ginseng, Winter Worm Herb, Seahorse Extract, and Platycladus extract.
- **Lightweight, Fast-Absorbing Formula**
Non-greasy texture suitable for various skin types.
- **Dermatologically Inspired Formulation**
Designed for compatibility with daily skincare routines.

DIRECTIONS FOR USE

After cleansing your face and gently patting it dry, apply a few drops of ACE Cells Lab Face Serum to the face and neck, then massage softly into the skin until fully absorbed; use consistently in the morning and at night for optimal results.
