

Clinically Proven to

Enhance Men Vitality

WITH INNOVATIVE ACE PICO TECHNOLOGY

ACE CELLS LAB **EDAIDE MEN HEALTH GEL**

Advanced topical formulation designed to support male vitality, confidence, and performance. Developed using innovative peptide-based technology, this scientifically formulated gel helps stimulate natural testosterone activity and improve blood circulation, contributing to enhanced male performance and overall well-being.

ACE CELLS LAB EDAIDE MEN HEALTH GEL

WHY CHOOSE EDAIDE LAB MEN HEALTH GEL?

- **Advanced Peptide Technology**
Developed using proprietary ACE Cells Lab PICO Technology for optimized absorption.
- **Clinically Evaluated Formula**
Crafted to support safety, effectiveness, and male wellness.
- **Fast-Absorbing Texture**
Smooth, non-greasy gel for convenient daily application.
- **Performance Support**
Designed to enhance vitality and endurance naturally.

KEY BENEFITS

- Supports natural testosterone stimulation
- Promotes improved blood circulation
- Enhances stamina and performance
- Boosts overall male confidence
- Supports reproductive health and vitality

ACTIVE INGREDIENTS

- **IGF-1 (Insulin-like Growth Factor 1)**
Supports tissue vitality and cellular renewal
- **INSL3 (Insulin-like Peptide 3)**
Contributes to hormone balance and male reproductive support
- **tACE (Testicular Angiotensin-Converting Enzyme)**
Supports vascular function
- **Arginine**
Promotes nitric oxide production for improved circulation

ACTIVE INGREDIENTS

Transforms active peptides into ultra-fine particles to enhance transdermal absorption. This allows targeted delivery of key ingredients to help stimulate performance, circulation, and male vitality more effectively.

DIRECTIONS FOR USE

Apply a thin layer of EdAide Men Health Gel to the thighs twice daily. Massage gently until fully absorbed. Use consistently for optimal results.
