

Advanced Healing for

Wounds & Skin Ulcers

WITH INNOVATIVE ACE PICO TECHNOLOGY

ACE CELLS LAB **SCHNELLE GEL**

A scientifically-formulated topical gel designed to support rapid recovery of damaged skin. It combines potent bioactive ingredients that help soothe, repair, and rejuvenate tissue after traumatic skin injury, including severe burns and chronic wounds.

ACE CELLS LAB SCHNELLE GEL

KEY BENEFITS

- **Supports Severe Burn Recovery**
Formulated to provide targeted relief for intense skin damage, including 3rd degree burns, helping to soothe discomfort and promote healing.
- **Assists Healing in Chronic Ulcers**
Addresses difficult-to-heal wounds such as diabetic foot ulcers and other persistent skin ulcerations by enhancing tissue repair and cellular recovery.
- **Speeds Wound Recovery**
Accelerates the body's natural repair processes for faster wound closure and restoration of healthier skin.
- **Scar Reduction & Skin Texture Improvement**
Helps improve overall appearance of healed skin with consistent use.
- **Cellular Rejuvenation Boost**
Bioactive extracts support skin regeneration at the cellular level.

CORE INGREDIENTS & THEIR ROLES

- **Placental Stem Cell Extracts**
Supports deep tissue regeneration and cellular recovery.
- **Ginseng Extract**
Enhances circulation and metabolic support to damaged tissue.
- **Liquorice Extract**
Helps reduce inflammation and soothe sensitive skin.

HOW TO USE

Apply ACE Cells Lab Schnelle Gel twice daily to the affected area. Gently massage until fully absorbed for best results.

IDEAL USE CASES

- Severe skin trauma from burns (including 3rd degree burns)
- Non-healing wounds such as diabetic foot ulcers
- Deep or chronic skin ulcerations
- Post-injury regeneration and scar management
