

ADVANCED
PEPTIDE THERAPY FOR
NEURO
REGENERATIVE

ACE Cells Lab Ltd.

ACE PICO
CEREBRO

**PRECISION PEPTIDES FOR BRAIN VITALITY,
COGNITION, AND NEURAL REPAIR.**

What Is ACE PICO CEREBRO?

ACE PICO CEREBRO is an advanced neuro-regenerative food supplement produced through the ACE Pico Protocol, a proprietary method that refines embryonic and placental tissues into ultra-small bioactive particles.

This protocol preserves neuro-specific peptides, exosomal factors, growth mediators, and organotropic amino-peptide complexes that support the natural restorative capacity of the brain.

The result is a concentrated formula designed to:

- ✓ Support optimal neuronal vitality and function
- ✓ Promote dendritic and synaptic recovery
- ✓ Enhance mitochondrial performance
- ✓ Strengthen neuro-protective mechanisms
- ✓ Aid cognitive resilience and memory pathways

Possible Bioactive Peptides Present

While no structural details are disclosed, the extract may naturally contain organ-specific neurotrophic and neuro-modulatory peptides, such as:

- BDNF-like peptides
Brain-Derived Neurotrophic Factor analogues
- NGF-like peptides
Nerve Growth Factor analogues
- CNTF-like peptides
Ciliary Neurotrophic Factor analogues
- Neuropeptide Y-like fragments
- Endogenous neuro-protective peptides from glial and neuronal precursors
- Mitochondrial-support peptides
cytochrome-associated fragments
- Synaptogenic peptides aiding synaptic plasticity
- Peptides involved in oxidative-stress balancing and cellular repair

These peptides act synergistically to enhance neuro-plasticity, memory circuits, cognitive performance, and cellular regeneration.

Benefits & Applications

Key Benefits

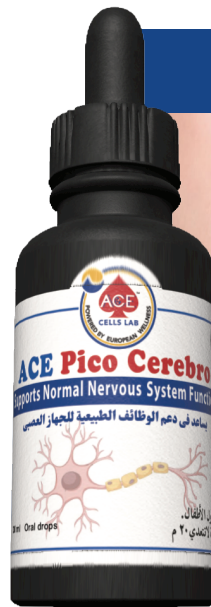

- ✓ Supports memory, focus, and cognitive clarity
- ✓ Enhances neuron survival and synaptic repair
- ✓ Promotes neuro-protection against oxidative and metabolic stress
- ✓ Improves cerebral microcirculation and metabolic efficiency
- ✓ Aids recovery after neurodegenerative or ischemic insults
- ✓ Helps maintain healthy brain aging to preserve clarity, focus, and cognitive

REBUILD the brain **RESTORE** the signal **RENEW** the mind

Suitable for:

- ✓ Neurodegenerative conditions
- ✓ Early cognitive decline
- ✓ Stroke recovery phases
- ✓ Chronic metabolic brain fatigue
- ✓ Aging-related cognitive impairment
- ✓ Professionals under mental strain

How to Consume

Take 1 ml (~20 drops) under the tongue, four times a day, using the provided dropper, and allow it to absorb, as directed by your practitioner.
