PEPTIDE THERAPY FOR
LIVER
ENZYMES
& HEPATIC VITALITY

ACE Cells Lab Ltd.
ACE HEPATO™

**PROMOTE LIVER RESILIENCE AND
MAINTAIN HEALTHY ENZYMES**

What Is ACE Hepato™?

ACE Hepato™ is a regenerative-support food supplement developed to promote optimal liver performance and maintain healthy liver enzyme levels.

It targets the underlying biological decline associated with stress, medications, fatty liver, alcohol, metabolic imbalance, and chronic inflammation.

ACE Hepato™ works by supporting the natural restorative processes of the liver—helping the body regain balance and sustain long-term hepatic health.

Safety & Usage

- ✓ Naturally derived
- ✓ Non-toxic, non-hormonal
- ✓ Suitable for adults
- ✓ Recommended dose:
1 bottle per week (4 bottles/month)

How ACE Hepato™ Supports the Liver

ACE Hepato™ enhances the liver's ability to detoxify, regenerate, and maintain normal metabolic activity.

Key Benefits

- Helps support reduction of elevated liver enzymes (*ALT, AST, GGT*)
- Promotes natural liver cell regeneration and vitality
- Enhances detoxification pathways
- Supports fat processing and metabolic balance
- Encourages recovery from oxidative stress
- Aids in improving overall energy and digestion
- Complements medical and lifestyle interventions

This makes **ACE Hepato™** a holistic option for individuals seeking improved liver function and long-term metabolic balance.

Why ACE Hepato™ Matters

The liver is constantly exposed to toxins, medications, heavy meals, stress, and environmental pollutants. Over time, these factors weaken its capacity and elevate enzyme levels.

ACE Hepato™ offers a regenerative push to help the liver restore its natural efficiency, manage metabolic load, and maintain stable biochemical performance.

- **ENHANCING DETOXIFICATION** • **RESTORING BALANCE** •
- **SUPPORTING LIVER PERFORMANCE** •

How to Consume

Take 1 ml (~20 drops) under the tongue, four times a day, using the provided dropper, and allow it to absorb, as directed by your practitioner.
